SOUTH CAROLINA JUNIOR DAIRY SHOW RULES

(Please Read Carefully)

1.   Eligibility: Participation in these shows is open to all boys and girls with registered dairy cattle, especially those participating in 4-H/FFA clubs. Exhibitors must be no younger than 7 as of show date and no older than 17 as of show date.

2.   Entries: All animals must be registered. **Ownership must show on the registration certificate in the name of the junior exhibitor, family partnership/corporation, or family farm.** Project animals must be transferred or have signed show affidavit. The recording date is the postmark date. In case of an animal registered in the name of a family partnership or farm, an affidavit submitted by supervising county agent, and also signed by the parent, certifying the animal is properly enrolled as the current project of the junior shall establish ownership of this project. **Affidavits cannot list more than two (2) animals for each Jr. dairy show class**. This affidavit must be received at Clemson University prior to any dairy show or at time of check-in. In the event a boy or girl is not enrolled in 4-H/FFA, an affidavit signed by his parent will suffice. **The recorded date and not the delivery date will be considered the transfer date.** Registration papers will be checked in any case.
