Celebrate beautiful old garden roses by visiting and entering the Old Rose Exhibition!

Why plant old garden roses? They are the less-demanding “parents” of the modern roses. Come and learn about the merits of growing old roses – more fragrance, less problems, and more. We think you will be a convert.

Bring your lovely blooms and enter for a chance to win. To enter the show exhibitors do not need to pre-register and first-time exhibitors are welcomed. Our members will be happy to guide you through the process. Entries are accepted between 8:00 – 10:30 am Wednesday, October 12th at the Cantey Building (enter Service Gate 4 off George Rogers Boulevard). Judging will begin at 11:00 am and prizes awarded by 1:00 pm. Top Award winners will receive a rose plant from Roses Unlimited. The Exhibition opens to the public at 1:00 pm.

Entries are limited to roses that were introduced before 1950 or a variety of an undetermined introduction date. Containers and entry tags will be available.

RULES

1. Anyone may enter roses in this exhibit. All entries must be grown by the exhibitor and are limited to any Old Garden Rose or any modern variety which was introduced before 1950.
2. Varieties must be identified correctly (except as noted). The names, classifications, and guidelines for judging roses entered in this exhibit shall be those approved by the American Rose Society and found in current publications.
3. As many entries as desired may be made in a class (except as noted), provided each entry is a different variety. Duplicate entries by the same exhibitor in a class will be disqualified.
4. The Palmetto Garden Club will furnish containers and entry tags. Both top & bottom of the tag must be filled in, showing class, variety, exhibitor's name, and address. Introduction date must show in the upper right-hand corner of the entry tag.
5. The show committee will place the entries alphabetically by variety in each class. Blue or other ribbons may be awarded to each variety in a class, but only if merited.
6. Exhibitors enter through Service Gate 5, George Rogers Boulevard.
7. ENTRY TIME: 8:00 - 10:30 am; NO ENTRY PLACED AFTER 10:45 am.
8. Champneys'-type Noisettes (Class 9) are those with large clusters of small blooms and a bush type growth habit, resembling the first Noisette, Champneys' Pink Cluster.
9. Polyanthas, Champneys'-type Noisettes, and Shrubs with a similar cluster flowering habit should be exhibited as sprays. All other entries may be exhibited as either sprays or solitary blooms. The most perfect stage of possible beauty (for Old Garden Roses) is usually at the fully open stage. Side buds are permitted.
10. **Top Awards Presentation at 1:00 pm, day of show.**
