

Old Rose Exhibition

Sponsored by
The Palmetto Garden Club of South Carolina

The 73rd Old Rose Exhibition

Wednesday, October 11, 2023

Location: The SC State Fair at the Cantey Building

Website: www.scstatefair.org/attractions/flower-shows

Celebrate beautiful old garden roses by visiting and entering the Old Rose Exhibition!

Why plant old garden roses? They are the less-demanding “parents” of the modern roses. Come and learn about the merits of growing old roses – more fragrance, less problems, and more. We think you will be a convert.

Bring your lovely blooms and enter for a chance to win. To enter the show exhibitors do not need to pre-register and first-time exhibitors are welcomed. Our members will be happy to guide you through the process. Entries are accepted between 8:00 – 10:30 am Wednesday, October 11th at the Cantey Building (enter Service Gate 4 off George Rogers Boulevard). Judging will begin at 11:00 am and prizes awarded by 1:00 pm. Top Award winners will receive a rose plant from Roses Unlimited. The Exhibition opens to the public at 1:00 pm.

Entries are limited to roses that were introduced before 1950 or a variety of an undetermined introduction date. Containers and entry tags will be available.
