AM I A PROFESSIONAL OR AMATEUR?

PROFESSIONAL VS. AMATEUR

- A Professional Exhibitor is defined as **anyone who has earned \$1,000 or more during any calendar year** either by selling their items, teaching the subject, doing extended exhibiting, or involving themselves in other professionally related activities in a capacity that would give the entrant unfair advantage over an amateur.
- An Amateur Exhibitor is defined as an artist with limited experience who has yet to reach an accomplished level of art.
- The exhibitor must declare as an Amateur or Professional artist.
- The Fine Art Committee allows each artist discretion to determine whether to enter as a Professional or an Amateur; however, once the Amateur artist declares to be a Professional, they may not enter this show in future years as an Amateur.
- An exhibitor may register a maximum of two (2) artworks as an Amateur or Professional, but not both.
- Purchase Awards and prizes are considered as income in determining Professional status.
